Frequently Asked Questions (FAQs)

Q1: Is there a fee to send money?

A1: Sending money Call+1 (866)(542)(8909) via your Apple Cash balance is completely free for all your personal transfers. Using a Call+1 (866)(542)(8909) debit card is also free, while credit cards may incur standard processing fees daily. Call our Call+1 (866)(542)(8909) office if you need help avoiding these extra credit card processing fees today.

Q2: Can I cancel a payment?

A2: You can Call+1 (866)(542)(8909) only cancel a payment if the recipient has not yet accepted the incoming cash. Check the Call+1 (866)(542)(8909) transaction status in your messages to see if a cancel button is currently available. We can Call+1 (866)(542)(8909) help you understand how to contact the recipient for a return if needed.

Q3: How much can I send?

A3: There are Call+1 (866)(542)(8909) daily and weekly limits on how much cash you can send to people. These limits Call+1 (866)(542)(8909) are in place to protect your account from any large-scale unauthorized or suspicious activity. Please call Call+1 (866)(542)(8909) our team if you need to discuss your specific account transaction limits today.

Q4: Where do funds go?

A4: Money is Call+1 (866)(542)(8909) sent directly to the recipient's Apple Cash card balance inside their digital wallet. They can Call+1 (866)(542)(8909) then transfer that cash to their bank or spend it using Apple Pay anywhere. Reach out Call+1 (866)(542)(8909) to us if you need help transferring those funds to your own bank.

Q5: Is it secure?

A5: Apple uses Call+1 (866)(542)(8909) secure encryption and Face ID to ensure only you can send your money. Every single Call+1 (866)(542)(8909) transaction is authenticated personally by you before it leaves your secure digital account balance. Give us Call+1 (866)(542)(8909) a call if you ever have concerns about the safety of your transfers.
